'Working together is success.'

The best learning outcomes for our children are achieved when educators and families work in partnership. It was fabulous to see the commitment of so many of our parents in attending the Parent Teacher meetings last week. These meetings provide a great opportunity to speak with your child's teacher and support your child in their learning journey. Thank you to the parents who received survey sheets and have handed them in. The overall feedback has been very positive and as with any feedback we will endeavour to make any necessary changes to improve the process.

In my discussions with the students during break times, before and after school I love to hear the stories about what they have learned throughout the day. I am sure you all enjoy dinner time conversation around their days also. We have been focusing on our vision 'be, think and grow' over the semester and it is really interesting to hear their perspectives on our vision. Perhaps you could ask them what 'be, think and grow' means.

Our students are very proud to attend our school and wear their uniform with pride. As we move into the colder weather I have noticed that many students are starting to wear jumpers, jackets and coloured leggings that are not part of our school uniform. It would be appreciated if you could ensure your child has the school uniform items to wear to school.

Our additional administration building arrived last week and there was much excitement as it was craned in. The placement of the building has meant that the original gate entry is now out of use. We do have a gate at the end of LA 32 that will be used as the new entrance. Our bike racks should be reinstalled within the next week.

We have some significant dates for you to add to your calendar. Please highlight the following;

Thursday 1 June – Year 6 Winter Carnival
Monday 5 June- WA Day Public holiday
Tuesday 6 June – School Development Day – students do not attend school
Monday 12 – Friday 23 June – Swimming lessons years 3-6
Wednesday 28 June – Reports sent home
Thursday 29 June – Family picnic lunch and classes open from 1:20 – 2:30pm
Have a wonderful end to the week!

Warm regards

Bec Burns

2018 Kindergarten Enrolments

Please ensure you have put your Kindergarten enrolment application forms for 2018 into the office by Friday 21 July. Late applications may lead to disappointment if your child cannot be provided with a placement at their local school.

2018 Pre-primary Enrolments

Re-enrolment forms for in-boundary students have been sent home this week. Please ensure you complete the Application for Enrolment forms and submit them to our office staff by Friday 21 July.

When your Child is Unwell

As we head into the winter months many of our students are becoming unwell. In order for us to minimise transmission of illness in our school it is very important that you keep your child at home if they are not well. Often children will want to come to school, however they should remain away from school until they are symptom free if they have a cold or flu; and for at least 24 hours if they have had gastroenteritis. Please support us in keeping our school community as well as possible.

Your Bletchley Park Team - Meet our School Psychologist

My name is Cassandra Best and I am a Registered Psychologist with the Statewide School Psychology Service. I have been a Psychologist in Perth for over 14 years working with the Education Department, a not for profit organisation and running a private practise. This is my fourth year working at Bletchley Park Primary School and I love it. The kids are fantastic and the staff here are amazing. In my 'spare' time I am a mum to two very gorgeous but loud and energetic school aged boys!

I am based at BPPS 3 days a week – Tuesdays, Wednesdays and Fridays, however my time here also includes the supervision of new Psychology graduates, mentoring of undergraduate students, engaging in professional development and attendance at compulsory Department meetings and courses. My role at the school is to work with staff and administration to support all students in the school in the areas of learning, behaviour and mental health and well-being. Due to the large number of students in the school and the vast number of referrals to Student Services, I am unable to provide a counselling service here at BPPS however I can support parents to find the right counsellor or Psychologist in the community for their child or themselves.

All referrals to me are made via a structured process. If you have any concerns about your child's learning, behaviour or well-being, their classroom teacher should be your first point of contact. Discuss your concerns with the teacher and together you can decide if further assistance is needed. The teacher can then complete a referral form which goes to the relevant Deputy for consultation. Intervention may occur at this level and I will not be involved. The Deputy may bring the referral to our weekly 'Students at Educational Risk' meeting and my involvement may be required. If this is the case, you will be invited to a meeting with me, the Deputy and your child's classroom teacher to get the process started.

What You Will See In ECE4 If You Come Through Our Door!

In ECE4 we have been participating in the Talk for Writing program. This Term we are focusing on telling recounts. At the start of Term 2 we had a fantastic excursion with the other Pre-Primary classes to AQWA. We imitated a story map that we designed to show everyone what we did and saw on our excursion.

After we made our fantastic story maps we went for a **BIG** walk around our school. We went to the office, saw the chickens, a flag pole and had a fun play on our new nature playground. When we got back to class we used sticky notes to innovate our AQWA story maps to tell everyone about our walk around the school. We drew great pictures of the different things we did and saw on our walk. If you look closely at our work it will tell you...

“On Tuesday, we went for a walk around our school.

First, we went to the office.

Next, we went through a gate and saw some chickens.

After that we went to the nature playground and played on things,
for example, a rock and a tree.

Finally, we saw a flagpole and went back to class.

We had a cool walk.”

We have had a wonderful start to 2017. Each day we make Ms. Jager and Mrs. Hayes very proud of us. We work very hard and cannot wait to see what we will learn next!

Rugby League World Cup visits Bletchley Park!

On Wednesday 24 May Students from LA28 were part of a lucky group chosen by Mr. McNerney to take part in a special assembly to view the official Rugby League World Cup.

As several students are involved in league tag at next week's interschool carnival, they were delighted to see the cup up close and learn more about its history.

Our school was one of only two schools in WA selected for the trophy to visit. Thank you to Hayley and Sian, who represent NRL WA, for giving our school this experience.

The Rugby League World Cup competition comes to Perth later in the year, with games being held at NIB stadium on Sunday 12th November. Tickets are already on sale for the event through Ticketmaster.

What's happening in the Classrooms?

This week LA12 are learning about famous Australian people throughout history. We read about the special names of our school factions; Fraser (Dawn Frazer), Bradman (Donald Bradman), Strickland (Shirley Strickland) and Farmer (Graham Farmer). These famous sporting heroes are amazing with what they have achieved. So amazing that we thought of some skills we could be famous for in the future.

Look out everyone! LA12 has future world famous vets, engineers, basketball players, dancers, and movie directors. Feel free to pop by our classroom and see our writing pieces.

THIS IS WHAT'S HAPPENING IN LA 23

We have been writing narratives, and learning how to include an interesting setting. We use descriptive language, and try to show the reader the setting rather than tell the reader. We have brainstormed descriptive language, written poems, described setting using green screen pictures and learnt a narrative called Belle's Dilemma. We are experts at using setting in our narratives.

"How to Jump in Puddles"... what a great procedure to learn. I am going to see if I can follow your instructions the next time there is a big rain and run and jump into the biggest puddle I can find! Thank you for sharing what you have learnt about weather with all of us. Congratulations Mrs Garland and Mrs Hill and all of the wonderful students for an excellent assembly. Thank you for singing our "Be, Think and Grow" song with such pride and joy.

Bletchley Park P.S. Runners Club 2017

During Term 2, Year 3-6 students in the top 6 positions were selected during the Faction Cross Country Carnival to be inducted into runners club at Bletchley Park Primary School. So far students have been very vigilant and punctual on Tuesdays and Thursdays during training which shows the commitment and dedication they want to promote during Runners Club. Paul Shepard is an accredited Athletics Coach who has been training the students during runner's club sessions.

Paul has been conducting sprint training and endurance training with the students including relay running and pace exercises.

During Term 3 students will train at Homestead park venue after school in preparation for the Interschool Cross Carnival and the State Cross Country Carnival.

Thanks to the parents of the students in the Runners Club for getting your children on time to training. Well done to all students at training keep up the good work! Our jerseys are on the way.

Remember to always bring a smile and your running shoes!

LAST CHANCE to order your Runners Club Singlet.

Girls Interschool Football Carnival 2017

On Friday 19th May students in Year 5/6 participated in the annual girls football carnival held at Sutherlands Park.

The girls showed fantastic sportsmanship and teamwork throughout the day. Mrs Thurman accompanied the Year 5 girls' team under the guidance of Craig Anderson who coached throughout the day with the girls. Mr McNerney coached the Year 6 girls' team.

Both teams displayed terrific skills and goal kicking as they competed throughout the day. Other schools who participated were; Canning Vale PS, Oberthur PS, Harrisdale PS, Riverton PS, Piara Waters PS and Caralee CS.

BIG thank you to Sandy Kerr for supplying oranges to the girls during each game and for scoring. Thank you to Catherine Thurman for coming to the carnival and supervising the Year 5 girls' team. Thanks also to Ken Crook/Craig Anderson for coaching the Year 5/6 girls teams.

The Year 6 girls team overall came 1st place and the Year 5 girls team came 4th place overall.

All students received a participating certificate and some students received a football for displaying outstanding effort throughout the day.

Chequing in at Assembly

from our P&C including P&C President, Renae Ritchie, made an appearance at last week's assembly to present a cheque to Principal, Bec Burns, the school.

A great example of how the P&C fundraising money is spent, we pleased to officially hand over \$40,000 towards the new nature play area that has now been completed.

The nature play area is an amazing addition to our school grounds popular with the students. The P&C is proud to have made this contribution and thanks to you, our school community, for your support in helping raise these funds.

Woof!
Wednesday and
Thursday
are School Banking days

- The school banking program provides children with an opportunity to save money each week at school. The program is about how often your child makes deposits NOT how much they deposit.
- Every deposit earns them a silver token, and once they've collected 10 tokens they can redeem them for a reward.
- Please note students can only bank ONCE a week.

THURSDAY banking remains

Please note **banking WILL continue on a Thursday**. So bring your deposit on either a Wednesday or Thursday (only one deposit per week).

Want to start school banking?

Any student from Kindy to Year 6 can bank at Bletchley Park. You can open an account Online or at any Commonwealth Branch.

When is Banking?

Wednesday & Thursday in alcove near Sensory Garden (behind Library) 8:00-8:25am – only one deposit per week
