

## FROM THE PRINCIPAL'S DESK

Where has the year gone!! It must be true that if you choose a job you love, then you never work a day in your life. I am pleased to say, this is the case for staff at BPPS which makes the year fly by.

Teaching is not just a job, but a passion and I am pleased to work with a group of teachers, paraprofessionals and support staff who fall into this category. Working together they have navigated the challenges of 2022 and ensured the students at BPPS have had every opportunity to be successful. I am sure the community will join me in thanking them for their hard work, dedication and commitment. They thoroughly deserve the upcoming break.

Student reports were sent home on Tuesday. Hopefully there were no surprises. The vast majority of students did very well and work very hard. Remember, focus on the ABE (Attitude, Behaviour, Effort) section for I believe if a student is doing the best they can, then that is all we can ask of them. Class lists were also made available on the school web site on Tuesday, hopefully this has helped reduce any anxiety for students and parents over the holidays, a reminder there may be minor changes over the holidays.

A number of staff will be leaving BPPS to pursue the next stage of their lives. We wish them well and hope they depart BPPS with fond memories.

Goodbye and best wishes to: Charlotte Hill (retiring), Leslie MacDonald (Edney PS), Charlie Cochran (LWOP), Alex Cochrane (Parental leave), Michelle Davies (resigning), Ashlee Bendeich (LWOP), Megan Oliver (Port Hedland Permanent), Elizabeth Rowe (Applecross PS), Fatemeh Alflouji (end of contract), Beth Allingham (Tch), Brook Harvey (Tch), Linda Henton (Ashburton PS).

To our hard work School Board led by Mr Denis Coldham and P&C led by Ms Paula Kontor on behalf of the school community, staff and students a BIG thank you. We appreciate all that you do for BPPS.

Thank you to the parents for your support, understanding and the care and love you show your child/ren. For it is you who are their 'first and most important teachers'. This was obvious by the turn out at the Awards night on Thursday 8th Dec (feedback from the community and staff was that the new format was a great success) and the Year Six Graduation earlier this week when parents beamed with pride.

Finally, to our amazing students. Your happy smiles, eagerness to learn and enthusiasm is what makes being a teacher and principal such a great profession. I hope you enjoy a well-earned break and are ready for the challenges of another years learning next year. I am confident that the majority of your parents will be very happy with your school reports. I wish our departing Year Six students all the best for the future and hope the school values and motto of Be Think Grow installed in you will serve you well into the future. To the whole Bletchley Park Primary School community, I trust you have a wonderful summer break / festive season with family and friends, for they are the most important people in our lives. Stay safe. I look forward to reconnecting with you all in 2023.

Best Wishes Wayne Walpole Principal

## 2023 – Class list

The following considerations have been taken into account when making placements.

- Academic achievement, social/emotional development and student behaviour
- Needs of Special Educational students
- Gender balance
- Friendship groups
- Parent requests

Class lists have been formulated by current classroom teachers and are then reviewed by the leadership team.

If your child has not been allocated to a classroom or you have any concerns, please email the school: [bletchleypark.ps@education.wa.edu.au](mailto:bletchleypark.ps@education.wa.edu.au) outlining your concern or child's name and year level for 2023. We will try to respond to your request before the end of term.

NB: Final decision regarding a student's placement is at the discretion of the Principal.

### Indonesian Books Year 3 and Year 4

To finish the year, students in Year 3 made mini books based on the story of The Very Hungry Caterpillar and students in Year 4 created books based on a story about different types of transport. They did an amazing job and many showed off their artistic talents.

Bagus!

### Thank you from our 2022 P&C

At Bletchley Park Primary School our P&C committee for 2022 consisted of 11 financial members.

All parents are invited to become involved in P&C activities which support school operations, teachers and students, whilst encouraging a strong sense of community.

This year, the P&C and parent volunteers have been responsible for the running and coordination of the following initiatives:

- Free Dress Days including One Colour Day, Career Dress-Up Day and PJ Day
- Dough-Raiser – Doughnut Drive
- Easter Colouring-In Competition
- Mother's Day & Father's Day Stalls
- Second-Hand Book Sale
- Entertainment Books
- Battle of the Decades Quiz Night
- Hawaiian Luau Disco
- Pop-Up Hair Accessory Stall – selling hair bows and ties in school & faction colours

These fundraising initiatives together raised \$35,000 and will be allocated for spend early next year.

The P&C also supports the Bletchley Park Billy Goats fathering group, which aims to connect dads and father figures within the community. In 2022, the group held a BBQ Fundraiser with proceeds donated to Beyond Blue, hosted an evening with Paul Litherland of Surf Safe Online, and organised a fun-filled family Nerf battle on the school oval.

The P&C has provided the school with financial assistance in the amount of \$47,210.22 through contributions to a variety of projects, services and equipment. Sometimes these contributions are visible for all to see, such as the Library Refurbishment, but sometimes they're not so visible, such as support for the Chaplaincy Program.

This year the P&C has contributed funds to the following:

- Chaplaincy Program
- Hardship Fund
- ECE Mud Kitchen Rejuvenation
- 6 x Keyboards to enhance the Music Program for all years
- Soccer Goal Installation
- 6 x Water Bottle Fillers fitted to existing drinking fountains across the school grounds
- Library Refurbishment including the installation of new carpet, paintwork, signage, furniture and shelving.

Our success as a P&C is not just measured by the funds we raise, but also in the other ways we contribute. So with this in mind, and the passion to improve connections with families we are excited to launch a new service come 2023. We hope the introduction of a Second-Hand Uniform shop onsite, will provide affordable and sustainable preloved uniforms for BPPS families and help improve the visibility of the P&C within our school community.

Being a volunteer takes a huge amount of time and dedication and I would like to acknowledge everyone who has helped make our committee a success in 2022. We have enjoyed great success thanks only to the sacrifices you have made and the efforts that you have contributed. Special mention to long standing member, Jacqui Watts. Jacqui has been an integral member of the P&C for the past 10 years and we wish to thank her for years of commitment and dedication.

The P&C is only as strong as its members and with membership at an all-time low, I implore everyone to get involved...you might be pleasantly surprised how rewarding the experience can be.

Paula Kontor  
P&C President
