

Dear Parents

2023 SCHEDULE OF CONTRIBUTIONS, CHARGES AND OTHER OPTIONAL COSTS

The Bletchley Park Primary School Board has endorsed the following schedule of Contributions and Charges for 2023. The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

1. Voluntary Contributions - \$60 (equates to \$1.50 per week)

Applies to all students Kindergarten to Year 6. No contribution is asked for the 4th and/or subsequent child/children in a family.

The quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources. It is therefore vital for the school to receive your family's contribution. Contributions are used for the direct benefit of all children. Our aim is to raise our community's contribution rate.

2. Charges and Other Optional Costs

The participation of a student in an extra cost optional activity is conditional on payment of the costs of that activity. You will be requested to make payment for each activity as it approaches.

The amounts below are indicative only and is the maximum amount that families can be requested to pay in a school year if students are participating in each particular activity.
