

Dear Parents/Guardians

The school is currently reviewing the days' students attend Kindergarten to ensure we are best meeting the needs of the students. We are currently surveying parents of students enrolling for Kindergarten in 2022 to see which days parents prefer their child/ren to attend. Under Education Department Guidelines, students attend Kindergarten 5 days a fortnight.

Here are the two options the school is considering.

Option 1 – The current Kindy days

Students attend Kindy on either –

- Monday, Wednesday and alternate Fridays
- OR** Tuesday, Thursday and alternate Fridays

Option 2 – New choice

Students attend Kindy on either –

- Monday, Tuesday and alternate Wednesdays
- OR** Thursday, Friday and alternate Wednesdays

Can you please indicate below (by circling your choice) which preference you would prefer (option and days) and return this slip to the office with your application for enrolment form by Friday 23rd July, 2021.

	Option 1 – NO Change to Kindy days	Option 2 – Change to current Kindy days
Group A	Kindy days are Monday, Wednesday and alternate Fridays	Kindy days are Monday, Tuesday and alternate Wednesdays
Group B	Kindy days are Tuesday, Thursday and alternate Fridays	Kindy days are Thursday, Friday and alternate Wednesdays

*Whilst we will try to meet parent requests, we cannot guarantee your day choice.
