

FROM THE PRINCIPAL'S DESK

COVID

Busy times at BPPS as COVID raises its head on a more frequent basis. Once again, I would like to thank our whole community for your support and understanding as we work our way through the implications of the pandemic. To date we have had approx. 30 students test positive and approx 59 students deemed close household contacts. We have also had 18 staff impacted. As we become more familiar with the current guidelines there are a few key pieces of information in regards to a school setting:

- 1) If your child tests positive they must self-isolate for 7 days
- 2) If someone in your household tests positive and the child / student has had contact with the infectious person, they are deemed a household close contact and cannot attend school. They must have a PCR or RAT on day one and then either a PCR on day 6 or a RAT day 7. If one of these is negative, they can then return to school.
- 3) If your child is in a K – Yr 2 (no masks) and a class member tests positive then all students in that class with the positive case need to have a PCR or RAT as soon as possible. If the test is negative and the student is asymptomatic, they can return to school. They just need to isolate outside of school. If positive, they need to self-isolate for 7 days.
- 4) If your child is in a Yr 3- Yr 6 class (so wearing a mask) and a class member tests positive, they are not deemed close contacts and do not need to get tested and can attend school. Parents need to monitor for any symptoms.

In the current climate, it would be fair to make the assumption that your child may come into contact with a positive case. This does not mean they will become a positive case.

Your best course of action is to continue to monitor your child / ren for any symptoms and if in doubt conduct either a RAT or PCR.

Parents can assist in reducing possible positive cases by continuing to wear masks on the school site unless you have an exemption.

Once again thank you for your support and understanding.

SCHOOL BOARD

The School Board held its first meeting for 2022 on Monday 14th March. A number of topics were discussed including finalizing the school 2021 Annual Report and BPPS Business Plan 2022- 2024. The board also reviewed the schools Dress Code Policy (no changes made) and looked at some of the 2022 PP and Yr1 On Entry data. On behalf of the school and the wider community, I would also like to congratulate Dennis Coldham who was elected as the new school board chairperson. The board also accepted a number of nominations to fill vacancies. Congratulations to Jenny Gay (parent rep) and Jade Fowler and Alice Nien as (community reps) who will be joining the board this term. As a school we look forward to working with you all.

CROSS WALK ATTENDANT

I would like to welcome David who is our new cross walk attendant on Balfour Street. David commenced with us on Tuesday 22nd. I hope you make him feel welcome.

A reminder to make sure that as a driver:

- You are alert to the environment around you
- You stop behind the white line marked on the road
- You do not commence moving until the student, parents and attendant are safely off the road

As a user:

- Follow the direction of the attendant
- Do not commence crossing until told to do so.
- Cross as quickly and safely as you can
- Be courteous and friendly

The attendant is there to keep all of our students safe.

YEAR SIX SPORTS CARNIVAL

Unfortunately, our Year 6 Summer Carnival was postponed due to COVID. On Friday 18th March, our wonderful Yr 6 teachers led by Mr Cave ran a faction summer sports carnival for the students. They participated in a range of sports. Feedback has been very positive with students showing great sportsmanship and a friendly rivalry. Congratulations to all of our participants.

Parent-Teacher Interviews 30th March 2022

Dear Parents / Carers,

In 2022 Parent-Teacher phone interviews will be held for Kindy through to Year 6.

School will finish at recess time 10.40am on this day.

Phone interviews will occur:

- Wednesday 30th March 2022
- From 11:00am – 6:00pm
- Interviews will be 10 minutes long
- Conversations will focus on literacy, numeracy and student well being
- The classroom teacher will contact you based on the number you provide when you book your interview
- Interpreters will be available to assist families if required
- Students are welcome to listen
- If a longer meeting is required, a further meeting can be organised for another day and time.

Interviews will be of 10-minute duration.

PTO will be open for bookings on Wednesday 16th March at 4.00pm

Using this system, you will be able to book the interview times that suit you best from any internet-connected computer.

Please access the system as follows:

- Click on link below – This will take you directly to the log in page
<https://bookings.parentteacheronline.com.au?school=xberk>
Use Google Chrome, Safari, Microsoft Edge or Mozilla Firefox as search engines.
- Click "Obtain PIN/Password" and enter your email address. Your PIN will be emailed to you. The email you receive will include a link that can be clicked on to log straight into PTO, bypassing the login screen.

If you are having problems with receiving your pin, please contact the office and we will assist you.

Full instructions are provided to you after log in. Please note the following points:

- When you log on, the system displays only your own child/children.
- You will only see time slots that are *available* at the time you are using the system. As time slots are booked for teachers, those time slots are no longer displayed as available. PTO prevents double-booking of teachers or parents/guardians.
- When you have made all the bookings you require, you can download or email a *report* of your bookings in time order for printing. **You can log in and change bookings any time up to 4.00pm Friday 25th March.**
- If you see this symbol  displayed alongside the class name, it means this teacher recommends that you book an interview.
- Other parents may be making bookings at the same time that you are using the system. It is possible, though unlikely, that a time slot is displayed to you as available, but is then booked by another parent shortly afterwards. If you then attempt to book this time slot it will not be available and a message will be displayed to indicate this.
- If you encounter any problems using PTO please contact the school office by phone on 9234 6400, or by email to bletchleypark.ps@education.wa.edu.au

I am sure the system will be of benefit to students, parents and staff. Any feedback you may wish to provide will be most welcome.

Harmony Week in BPPS Library

Book of the week is 'Don't Forget' is a story about kindness and belonging.

Red Cross Incursion - Year 6

Australian Red Cross delivered an interactive and informative incursion for the Year 6 classes last Wednesday and Thursday 16th and 17th March, that taught students about refugees and people seeking asylum around the world and in Australia. During the *In Search of Safety* program students had the chance to imagine what it would be like to flee their homes quickly through an engaging simulation, and to hear from children their age about their experiences of seeking safety. They also listened to and had the opportunity to ask questions of a guest speaker who has lived the experience of being a refugee/asylum seeker. This was a unique chance for the students to learn about human rights and why people need protection and it 'tied in' nicely with Harmony Week.

CVC – Enrolments & Specialist Programs

Canning Vale College
Finalist - 2021 WA Secondary School of the Year

2023 Enrolments & Specialist Programs

2023 Enrolment applications are now due. Please contact us for more information.

Our Government Approved Specialist Programs are available via an application and enrolment process. Our programs are also open to students outside of our local catchment area.

Academic Extension guides our most academically gifted students. Many are achieving academic success at a state and national level.	Visual Art supports and extends students talented in the Visual Arts. The program has strong ties with a number of prestigious art events.	Music offers contemporary and classical music streams. Students participate in a variety of ensembles including a concert, rock and vocal bands.
STEM prepares students for a future in an increasingly technological world, with a solid foundation in engineering, science, maths and technologies.	Languages with Italian and Indonesian pathways, the program focuses on the development of language skills and their application in real-life contexts.	Circus a unique school based extension program designed for students with an interest and talent in circus skills and performing on stage.
