

FROM THE PRINCIPAL'S DESK

I thought summer was over, but this week has proven otherwise. Only two busy weeks until the end of term with the opportunity for students and staff to recharge their batteries. NAPLAN is over for another year and ran very smoothly. There are still a few major events occurring this term and in the first week back, so please note the details in your schedules.

Three Way Conferences

This annual event occurs next week on Wednesday 2nd April. Parents bookings online close on Friday. Interviews will be for approx. 10 minutes - Interpreters will be available for families that require this service.

- The focus of the meetings will be Literacy, Numeracy and student Wellbeing
- We encourage students to attend from PP – Yr6
- Meetings will be available from 11:00am – 5:45 pm
- Some families may also be contacted by our specialist teachers
- Helping Hands are available if you need your child supervised
- Students need to be collected from school by 10:40 am on Wednesday 2nd April.

School Board

We are currently running a process to fill the three vacancies on our School Board. Last week a SeeSaw message with a link was sent to all families. Please take the time to vote on who you would like to represent the community. Voting closes on Friday 11th April at 3:00pm

Parking

A gentle reminder to all families on the need to be patient and adhere to not only the rules around using the Kiss and Drive but also legal road rules. We have received information from the Gosnells Council suggesting not all families are abiding by the road rules eg parking on footpaths or roundabouts etc. Please be aware that rangers do visit the school and can fine drivers. After school is very busy with nearly 700 students leaving at one time. I ask all parents to be considerate and patient which will ensure all of our students are safe.

Harmony Day Picnic

As part of our Harmony celebrations, we invite all parents and family members to a family picnic on Friday 11th April (last day of the term) commencing at 1:00pm. Come along and meet the many families from various backgrounds who make up the great school community.

School Photos

Term Two will start of busy with school photos occurring on Wednesday 30th of April and Thursday 1st May. All students should be in full school uniform (no faction shirts please). As in the past families can also book a time for 'family photos'. You can find the timetable in this newsletter.

National Student Wellbeing Program

The National Student Wellbeing Program (NSWP) supports student and school community wellbeing in over 3,000 school communities each year. The new NSWP opens up the former National School Chaplaincy Program (NSCP), giving schools the option to choose a qualified student wellbeing officer or chaplain. NSWP student wellbeing officers and chaplains work in collaboration with school communities to support the wellbeing of school students through:

- providing pastoral care
- organising volunteer activities within the school community
- running programs such as breakfast clubs and lunchtime activities
- coordinating excursions, school incursions and parent/carer workshops.

In their role working with school communities, NSWP student wellbeing officers and chaplains:

- do not provide religious instruction or religious counselling
- may be of any faith, or of no faith
- must not proselytise
- must respect, accept and be sensitive to other views, values and beliefs
- must promote a safe and inclusive school community
- must comply with state and territory laws and policies in relation to child protection matters
- must have relevant and valid state and territory working with children or vulnerable people checks
- meet the qualification requirements of the NSWP
- must undertake the cyberbullying Professional Learning Package delivered by the eSafety Commission.

It is voluntary for any student to participate in the program.

At Bletchley Park Primary School as part of our current Business Plan focus area "Student Inclusion and Diversity" we are seeking community input on the above program and the preference of having either a chaplain or a student wellbeing support officer. Whilst there is no real difference in the role, they provide it is more about the perception around the term chaplain.

Could you please click on the link below to indicate your response to the following question.

I would prefer Bletchley Park PS to engage with a

- A) Chaplain
- B) Student Wellbeing Officer
- C) Either

Assembly 21st March 2025

The Juniors were treated to a great assembly hosted by the Year 2s from LA11. Co-ordinating with the presentation of our first ever Highway Heroes awards, the students showed us what it meant to be a social hero, both in class and out on the playground.

As their students stated – “We have all sorts of different students here at Bletchley Park, and it is our differences that make us special”. The kids taught us that with differences, there can occasionally be problems – and dealing with them in a good, respectable way is how we can become a Highway Hero. They showed us strategies and taught us lessons through giving us social tips and engaging us in song and dance! It was a great representation of our school’s Social/Emotional Learning program. Well done Mrs T and Mrs Clark social heroes that make up LA11!
