

FROM THE PRINCIPAL'S DESK

Welcome back to Term 2. For those lucky enough to have had some time off over the recent school holidays, Easter break and ANZAC long weekend, I hope you feel a little revitalized and refreshed.

By now, you will be aware of the latest guidelines we are operating under.

The biggest changes for primary schools are:

- Masks are no longer mandated, but students and staff may still choose to wear them.
- Social distancing rules no longer apply so parents can enter classrooms
- Changes in close contact guidelines
- Whole school assemblies can commence (see Term planner)

We are still managing staff absences due to COVID and appreciate your understanding. We make every endeavour to try to provide continuity of learning and the same relief teacher, but in the current environment, this is not always possible.

School photos successfully occurred last week. The students looked great and we appreciate the communities support in ensuring students comply with the school dress code. It was also pleasing to see the number of families who took the opportunity to have family photos. These are always a great keepsake and good to pull out at future 18th and 21st celebrations. We look forward to seeing the final product later in the year.

The ANZAC service we held online at the end of last term ran relatively smoothly. I would like to acknowledge the respect that all students showed on this important occasion and the work of Noelle our head girl and Jake our head boy who were masters of ceremony and did a wonderful job.

Next week our Year 3 and 5 students will be participating in the annual NAPLAN assessment. The majority of this occurs online. Whilst we encourage all of our students to 'do their best', this is only one of many assessment tools we utilize to monitor student progress. It is important we try to keep routines as normal as possible and not increase the anxiety for our students. All of our students have had the opportunity to complete practice assessments and are familiar with the online platform used for NAPLAN. Parents can assist in NAPLAN preparation by ensuring their child:

- 1) Gets plenty of sleep
- 2) Has a healthy diet
- 3) Is encouraged to do their best
- 4) Follows normal routines
- 5) Receives encouragement and assessments are discussed in a non-threatening way.

If parents have any questions about NAPLAN, please feel free to contact either your child's teacher or Ms Kylie Salamon in the administration. We look forward to sharing the results with you later in the year when they become available.

A big thanks to our P&C president Mrs Paula Kontor and her team for the great job in setting up the Mother's Day stall. Your efforts are truly appreciated.

It is certainly nicer been able to see people's faces. Have a great fortnight.

Regards Wayne Walpole

Office Hours

Mon/Thurs - 8.00am - 4.00pm
Friday - 8.00am - 3.00pm

2022 TERM DATES

Term 1: 31st Jan – 8th April

From the Principal's Desk

Cross Walk Attendant Bletchley Park Way

Unfortunately we have been informed that our cross walk attendant at the intersection of Balfour Street and Hedgerow Gardens will not be returning. I have not been made aware of the reason he has not returned, but wish Wayne all of the best for the future.

The Police Department Childrens Crossing Unit are currently working to find a replacement. Could all community members please be extra vigilant when approaching this crossing.

School Photos

School Photo Catch up Day

Fotoworks is offering a catch up day for parents that missed having their children's photos taken.

Please contact Fotoworks directly on details below if you are interested in having your child's individual photo taken

They can contact us via email wecare@fotoworks.com.au or 9244 8211

This is only available for the next 10 day

Problem Solving Competition

Calling all Mathematicians!

Have a go at solving this problem. You will need to show your working out and make sure you have your name, LA and year on your entry. You can submit your entry in the box in the library. Can't wait to see your work!

Year 1 and Year 2

Amelia has 4 bags with 2 marbles in each bag. Liam has 6 bags with 3 marbles in each bag. How many marbles do Amelia and Liam have?

Year 3 and Year 4

Amelia has 4 bags with 2 marbles in each bag. Liam has 6 bags with 3 marbles in each bag. How many more marbles does Liam have?

Year 5 and Year 6

Amelia has 3 bags with the same amount of marbles in them, totalling 57 marbles. Liam has 3 bags with the same amount of marbles in them, totalling 105 marbles. How many more marbles does Liam have in each bag?

Kindergarten - 2023

Enrolments for Kindergarten 2023 are now open.

Enrolment forms can be downloaded from our website or a copy can be picked up from the administration office.

Enrolments Close on Friday 22nd July 2022

Department of
Education

Shaping the future

Applying to enrol your child Kindergarten

Enrolment application process

Once you submit your child's application for enrolment, it will be assessed by the school's principal. In some cases, the school may receive more applications than places available. When this happens, the principal prioritises applications.

1

First priority

- You and your child live in the school's local-intake area.
- They have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

2

Second priority

- You and your child live in the school's local-intake area.
- They do not have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

3

Third priority

- You and your child live outside the local-intake area.
- They have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

4

Fourth priority

- You and your child live outside the local-intake area.
- They do not have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

If your child's school doesn't have a local-intake area, the principal will prioritise applications from those that live nearest to the school to those living furthest from the school.

Why do I need to apply by the 22 July?

Applications submitted by the deadline form part of the school's first round offers. You can still apply after 22 July, but this may mean that your child misses out on a place.

If your child is not offered a place, the school staff will help you find another school as close to your home as possible.

What do I need to have to apply to enrol my child?

- Your child's birth certificate or identity documents.
- Proof of your child's residential address.
- If your child was born outside Australia or is a temporary resident of Australia, you need their passport, visa and travel documents.
- You need to tell the school whether your child has an Australian Immunisation Register (AIR) immunisation history statement.

Don't have all these documents right now?

Provide as much information as you can. You should make a time to speak with school staff to let them know what is missing and why you don't have it.

Don't forget.

You will need your child's current Australian Immunisation Register Immunisation History Statement if your child is offered a place.

How long does it take?

Contact your child's school if you would like an update on their application.

Calling all Year 4-6 students!

- Do you want to improve your Numero skills?
- Do you want to practice your mental maths?
- Do you have a passion for Numero?
- Do you love games and challenges?

If you answered YES to any of these questions, then you are invited to come along to Numero Club!

When: Thursdays at 1:10 (after lunch eating)

Where: LA13

Who: With Miss Christie & Miss Lombardo

P&C 2022 Mother's Day Stall – now open!

Our Mother's Day Stall opened yesterday and so far we've had so much fun! It's been great to see so many smiling students lovingly choosing a gift or two for their mums, grandmas and carers.

Our P&C Fundraising Committee have been busy for months putting together over 2500 gifts for sale over the three days the stall is trading. Gifts cost between \$1 and \$15.

If your child's class is still to visit, please remember to send a shopping bag with them.

On Friday afternoon the stall will be open (in LA 19) to parents and carers from 2 – 2.45pm.

Our Bletchley Park P&C would like to wish
all the mums, grandmothers and carers a very
Happy Mother's Day on Sunday!

Merit and Values Award Winners – 1st April 2022

Building Courage and Resilience in Children

How to help your children navigate anxiety and find their 'brave'.

Courage and resilience are vital qualities that help children adapt in the face of adversity and challenge, with their hearts, minds and spirits intact. Both courage and resilience are qualities that can be cultivated in any child, and parents are in the perfect position to do this. In this transformational session, we will explore why resilience is so important and how to nurture these essential qualities in our children.
