

FROM THE PRINCIPAL'S DESK

We are over halfway through an 11-week term and after the conclusion of swimming lessons are starting to settle back into a more normal routine. There is still a lot happening at BPPS with the girls maths extension group underway, a soccer clinic occurring before school and on Friday we will be acknowledging our wonderful P&C and having the official opening of the playground on the oval at 2:30pm. We have a science incursion occurring next week for most year levels as well as a history incursion for our Yr 1 students. Hopefully students have been training for the Faction Cross Country which will occur on Friday 7th June. Last week staff attended their second 90-minute professional learning program around our new SEL (Social and Emotional Learning) program Highway Hero's. Over the coming weeks staff will commence introducing the program to students. So as normal, there is a lot happening at BPPS.

The Year 6 students are enjoying wearing their leavers jackets on the cooler mornings, they look fantastic. A big thanks to Keren Harding our MCS and Tracy for their coordination of this event.

Teachers are busy at this point of the year finalizing assessments and starting to write the end of semester summative reports. These will go home electronically in Week 11. If you have changed your email address in the past six months, please contact the front office on 92346400 or email BlethleyPark.PS@education.wa.edu.au.

As in the past, classroom teachers will provide comments in literacy, numeracy and a general comment for each student and specialist teachers (science, music, visual arts, languages and physical education) will also provide a comment and grade if the student has participated in these programs this semester.

A reminder that students do not attend school on Friday 31st May as it is a School Development Day. Staff will be reviewing a range of data and preparing for our School Review later this term (Wed 26th June). The School Review conducted by a Director from Central Office (Public School Review Team) and another principal will verify the schools judgement in six domains against the standard set by the department. Our data and initial reflection indicates that we are performing very well in all six domains. The Public School Review Report will be available to the community in Term Three.

The SDD is followed by the public holiday on Monday the 3rd June, an extra-long weekend for those lucky enough to get it. For those going away hopefully the weather holds but for those in farming/ agriculture I am sure they would love some rain.

Have an amazing fortnight with family friends.

Applying to enrol your child Kindergarten

Enrolment application process

Once you submit your child's application for enrolment, it will be assessed by the school's principal. In some cases, the school may receive more applications than places available. When this happens, the principal prioritises applications.

1

First priority

- You and your child live in the school's local-intake area.
- They have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

2

Second priority

- You and your child live in the school's local-intake area.
- They do not have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

3

Third priority

- You and your child live outside the local-intake area.
- They have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

4

Fourth priority

- You and your child live outside the local-intake area.
- They do not have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

If your child's school doesn't have a local-intake area, the principal will prioritise applications from those that live nearest to the school to those living furthest from the school.

Why do I need to apply by the 19 July?

Applications submitted by the deadline form part of the school's first round offers. You can still apply after 19 July, but this may mean that your child misses out on a place.

If your child is not offered a place, the school staff will help you find another school as close to your home as possible.

What do I need to have to apply to enrol my child?

- Your child's birth certificate or identity documents.
- Proof of your child's residential address.
- If your child was born outside Australia or is a temporary resident of Australia, you need their passport, visa and travel documents.
- You need to tell the school whether your child has an Australian Immunisation Register (AIR) immunisation history statement.

Don't have all these documents right now?

Provide as much information as you can. You should make a time to speak with school staff to let them know what is missing and why you don't have it.

Don't forget. You will need your child's current Australian Immunisation Register Immunisation History Statement if your child is offered a place.

How long does it take?

Contact your child's school or community kindergarten if you would like an update on their application.

Kindergarten Applications

**2025 Kindergarten Applications are open
for children born between 1 July 2020 and 30 June 2021**

**Applications can be found on our website

safety around schools

Prohibition signs

Parking prohibitions are imposed to regulate and modify parking patterns. Their main function is to ensure that potential conflicts between vehicles and pedestrians are eliminated.

No Stopping

You must not stop on a length of road to which a No Stopping sign applies.

No Parking

You may stop in a No Parking zone for a maximum of two minutes to drop off or pick up passengers. You must stay within 3 metres of your car at all times.

Parking Signs

Parking signs with specified time limits allow drivers to park their vehicles for a certain period of time.

Bus Zone

You must not stop or park in a bus zone. Parking in a bus zone puts lives at risk.

CITY OF GOSNELLS

Safety around schools

safety around schools

School parking

In an effort to provide a safer environment for everyone, the City of Gosnells Ranger Services patrol school parking mornings and afternoons throughout the school term.

It is imperative that drivers are aware of the road rules and understand signage around schools to ensure the safety of children, road users and pedestrians. Unlawful parking in school areas is a major safety hazard and parking infringements may be issued for incorrect, unlawful or dangerous parking.

At the beginning of each school year, Rangers conduct educational patrols in school areas. During this period Rangers remind drivers of the need to park legally and safely and enforce the *Parking Local Law 2012* in a number of ways.

As part of this initiative, Rangers also work closely with the school community to promote safety around schools. Information leaflets are distributed to schools for inclusion in school newsletters, and advise parents of the parking requirements under the *Parking Local Law 2012*.

Common parking problems

- Parking in a **No Stopping** area
- Parking in a **No Parking** area
- Double parking
- Parking on a nature strip or verge without the owner's consent
- Parking so that the vehicle causes an obstruction
- Parking against the flow of traffic
- Stopping or parking on a footpath
- Stopping or parking at a bus stop

Be responsible

- Observe parking restrictions (read the signs)
- Be aware
- Use Kiss and Drive (if provided)
- Always be aware of children
- Walk or cycle to and from school
- Plan your trip so that you arrive earlier
- Stop on the school side so your child does not have to cross the road
- Use the crosswalk services at all times
- Use parent's parking bays (where provided)

What NOT to do

- Block driveways
- Park on footpaths
- Obstruct Children's Crossing
- Get frustrated
- Ignore speed limits around schools
- Ignore parking signs

If you need help or advice regarding parking contact Ranger Services during office hours on 9397 3000.

School zones

40km/hr school zones are in place around every school in the City of Gosnells. School zones operate from 7.30am to 9am and 2.30pm to 4pm.

Children warning signs and 40km/hr school zone speed signs are the responsibility of Main Roads WA.

Kiss and Drive

Kiss and Drive zones typically allow parents to pick up and drop off children adjacent to the main school entrance. Kiss your child, say goodbye, allow them out and drive away as soon as possible.

When using the designated Kiss and Drive zone around schools, never leave your car unattended.

Contact your local school to find out if a Kiss and Drive initiative is in place.

Continuous yellow line markings

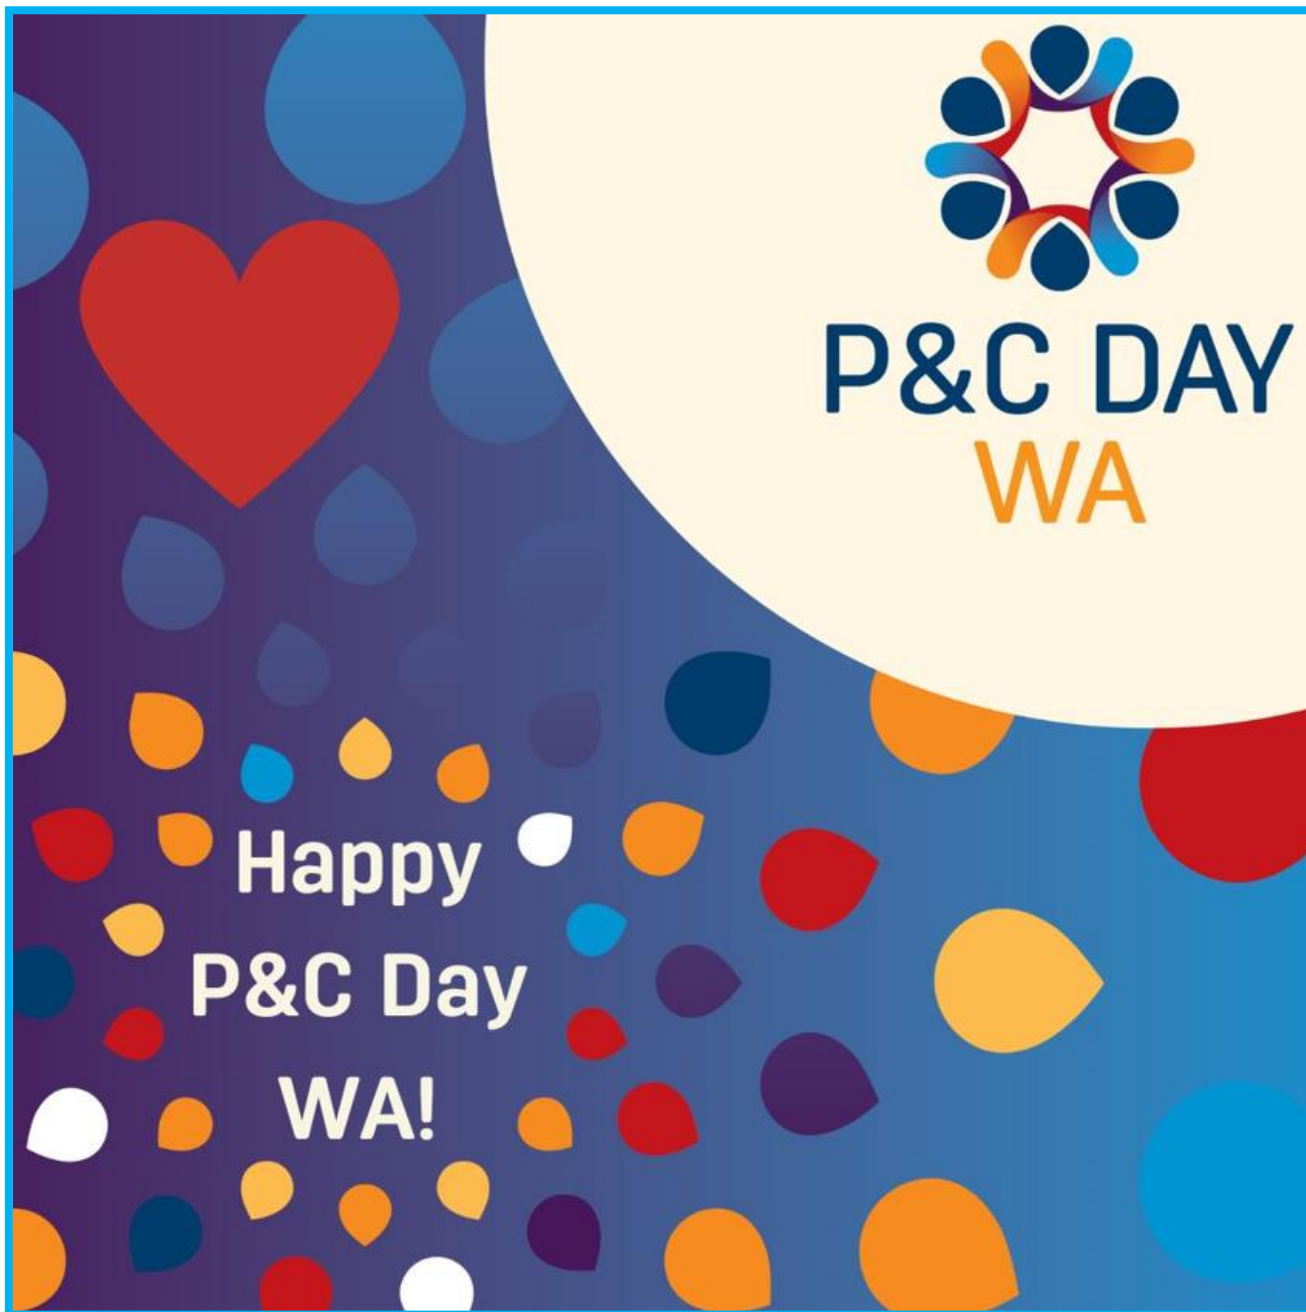

You cannot stop or park anywhere along a single yellow line painted on the edge of the road. This restriction is in place 24 hours a day and attracts a \$100 penalty.

The City will use yellow lines instead of signage where placement of signs may be difficult, pose a hazard or affect the amenity of an area.

A special thank you to our numerous volunteers at Bletchley Park Primary School. Your time and efforts are appreciated.

P&C DAY 24th MAY 2024

On behalf of the students, staff and wider community, thank you for supporting us and adding value to the BPPS learning environment.

Assembly – 10th May 2024

Congratulations to LA12 on an amazing assembly. Students shared how some of their parents visited the class on Harmony Day and taught them how to count to five in Spanish, Africans, Mandarin and Auslan. The students then amazed the audience with their beautiful singing voices while singing 'We are Australian' and signing the entire song using Auslan sign language. What a moving and inclusive performance. Well done to Miss Bydder and her wonderful Year 2s.

Congratulations to LA13 for their incredible assembly. They certainly made a “SPLASH” delivering some incredible information about the importance of learning to swim and educating us all on water safety. What a great way to cap off a 4-week stretch as swimming lessons officially came to end. Well done to Miss Christie and everyone in LA13!

Our P&C **Mother's Day Stall** was a huge success due to our hardworking team of Volunteers who put together a massive selection of beautiful gifts and served our students.

We hope all the mums loved their gifts and we thank all our Bletchley families for supporting the stall.

The **Bletchley Park Billy Goats** – The Fathering Project had a great time on Sunday afternoon creating memories on a bushwalking adventure along the Whistlepipe Gully track.

The kids were given a Nature Scavenger Hunt list and attempted to find everything on it along their walk.

Next up is a Dad's only Curry Night. Head on over to the **Billy Goats Facebook page** to keep up to date with their upcoming event

Upcoming Events

Head down to the school oval at 2.30pm on Friday 24 May to celebrate the grand opening of our new playground. A lucky representative from each classroom received a golden ticket to help cut through our giant ribbon, provided by Mr Terry Healy MLA. We have Manda's Mini Indulges and Sweets on the Run heading down with coffee and ice-cream to purchase, and our Year 6's will be selling Icy-poles to raise funds for the Year 6 camp. It's been amazing to see already how much our Bletchley students have been enjoying the new equipment!

Containers For Change

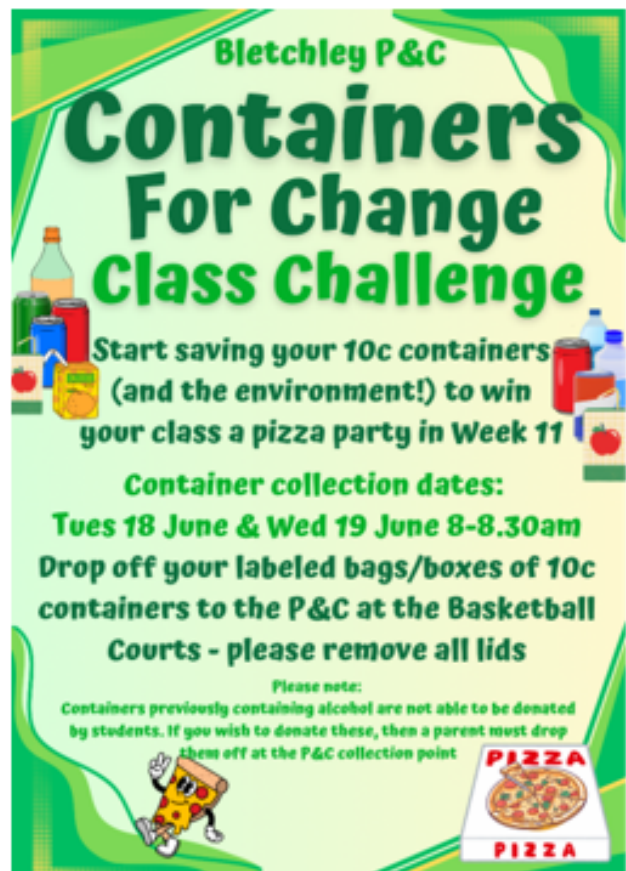

Let's help the environment by recycling all your empty bottles and cans, while earning a chance to win your child's class a Pizza Party at the end of Term 2.

We will be providing classrooms with collection bags should you need one, otherwise place them in a bag or box - after you have removed any lids and clearly label them with the students ECE or LA.

Bring them down to our P&C collection point near the basketball courts on either Tuesday 18 or Wed 19 June between 8-8.30am.

Please note that any containers that previously held alcohol are unable to be dropped off by a student, they must be dropped off by an adult.

If you are unable to drop off on these dates/times please contact us via Messenger or email bpspcc@gmail.com to arrange an alternate time.

Second Hand Uniform Shop News

We had an amazing response again to our pop up shop with a large amount of our stock sold. We would love additional **donations** of any **school uniform** items in **good condition**, particularly any **school Jackets**. They can be placed in the **lime green container** outside the Admin building.

Please note we cannot accept any non-uniform items such as black leggings, skorts or shorts. Thank you to all our parents who have kindly donated items to date – we couldn't do it without you!

P&C Meetings

Our next meeting is to be held on 30 July 7pm, in the school staff room. New members always welcome to come along and join.

Don't forget to follow us on Facebook: **Bletchley Park PS P&C** to be the first to know what's on, and keep up to date with upcoming events.
