

FROM THE PRINCIPAL'S DESK

Dear Families,

The end of the year is rapidly approaching, and we are already thinking ahead to 2024! To assist us, I would ask that if your child is not returning to Bletchley Park Primary School next year that you email bletchleypark.ps@education.wa.edu.au as soon as possible.

Thank you to the P&C for organising last week's student disco. It was great to see so many students attend. Thank you to the parents and staff who attended in support of our school.

Recently Year 1-6 students underwent Progressive Assessment Testing (PAT) in Reading and Mathematics. Below are some of the pleasing results we have seen. It is a testament to the quality teaching provided by Bletchley Park staff and shows that our students are on par (or above) with national standards.

This week our Year 3-6 students head off to the Interschool Athletics carnival held at Ranford Primary to represent our school. We are also sending 12 students to participate in the Inclusive Sports Carnival held at Gosnells Primary School. Thank you to all those involved for providing these opportunities for our students. We wish them all the best of luck!

The Scholastic Book Fair has been a huge success – thank you to Mrs Isgar for this fabulous event. The library has been buzzing with families before and after school. A percentage of money raised from books purchased goes towards our school library. Again, thank you for your support of our school.

Finally, I would like to welcome back Mr Walpole who returns Monday from his secondment as a Director at Statwide Services. I will return to my role as Deputy Principal for the Year 2-4 teams. I would like to take this opportunity to formally acknowledge the outstanding work of Mrs Renette Roth who has acted in the Deputy Principal role. Mrs Roth will return to her position as classroom teacher in LA 21. I would also like to acknowledge Mr Chad Nilson for his work in LA 21 over the last semester. Mr Nilson will be teaching at BPPS on Mondays for the rest of the year.

Have a wonderful rest of 2024 and I look forward to seeing you out and about at Bletchley Park Primary School!

Happy days!

Kylie Salamon

Merit and values Winners – 20th October 2023

LA14 shared how each of them are unique and special. They talked about their heritage, their hair, talent and special interests. They sang us a song about the importance of finding the unique and special in ourselves and wearing it with pride. I think every person who heard the song left with a little more joy in their heart.

A Breaking News program was presented at assembly today. LA17 and its roving reporters investigated and presented information on Day for Daniel. They shared with us the meaning of this important day and what we do at school to understand and recognise its significance. The team in LA17 also showed their Digital Technology skills when they presented us with well edited videos from around the school, showing us places students can go to feel safe and calm.
