

FROM THE PRINCIPAL'S DESK

It is full steam ahead at a very busy Bletchley Park. We acknowledged the Day for Daniel last week and officially opened our new library. We have interschool athletics carnivals occurring this week as well as an ASD carnival. We have two teachers from Indonesia visiting the school this week as part of the Bridge Program who are sharing their knowledge and skills with staff and students as well as learning how a WA school operates.

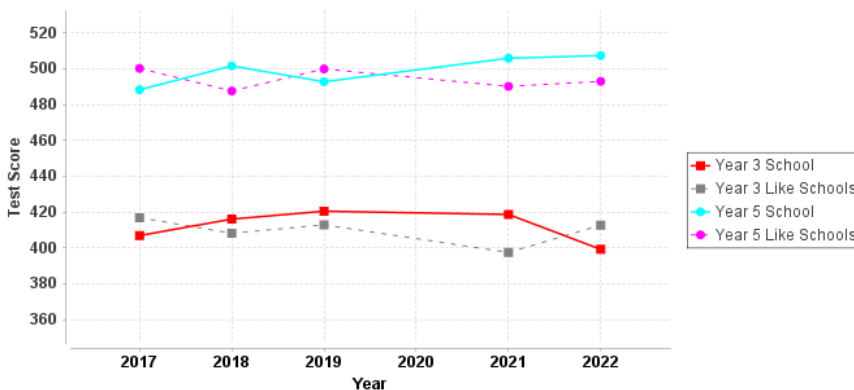

A reminder that on Friday 4th Nov we have a School Development Day and students do not attend. Next week we have a parent Cyber safety session as well as some cyber safety sessions for our Year 3-5 students. Our Year Six students are getting very excited as their camp draws closer.

All in all, BPPS is a great place to work and learn.

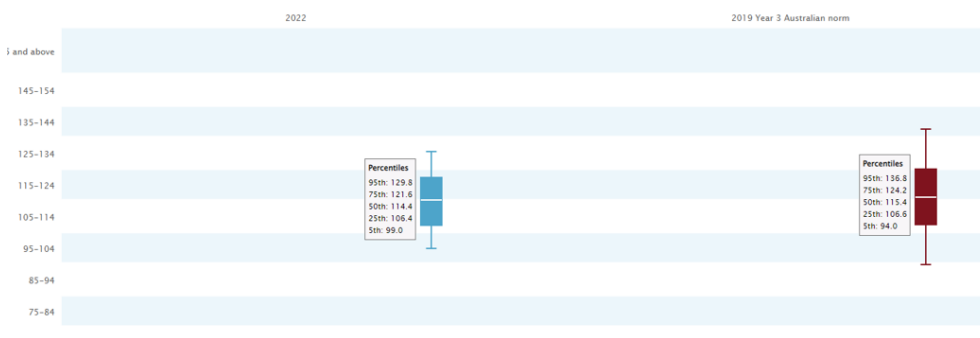

The two graphs below indicate how our Year 3 & 5 students are progressing based on NAPLAN. We are currently unpacking our dip in Year 3 Numeracy results. Our recently conducted PATM results indicate that the Year 3 students are on par with national norms.

From the Principal's Desk - Cont'd

Our students continue to perform well in reading on a number of measures, above state averages, above Like Schools and above national norms based on PATR.

Below are some further parent comments from the recent Parent National School Opinion Survey

Some teachers use seesaw a lot to communicate with families, others rarely. It would be great if there was a bit more consistency across all teaching staff in terms of usage.

Very happy with all the extra support being given to my child. Every teacher he has had has been fabulous.

We love the school very much, just needs a bigger car park ;)....

A great school

All good, we are quite happy with school/ teachers. Thanks for all your kind help in up bringing our child's future.

Great school. Almost all good/great teachers so far. One was awful and could be guided to be more positive based teacher, rather than punitive.

Keep up the great work as I can see progress with my child. A big thank you.

Based on discussions with the School Board, the format for the end of year concert will be changing. It will be held on Thursday 8th Dec. K-Yr 2, students arrive at 5:00pm for a 5:15 start concluding at approximately 6:15pm. Yr 3 -6 students arrive at school at 6:25pm for a 6:45pm start concluding at approx 8:40pm

I hope everyone has a very enjoyable fortnight

Regards

Wayne Walpole

Planning for 2023

CLASS LISTS 2023

The process of creating class lists for the 2023 school year will commence in the coming weeks. Parents who feel they have relevant information pertaining to the placement of their child in 2023 should advise the school in writing.

All correspondence should be addressed to the Principal and emailed to BletchleyPark.PS@education.wa.edu.au and be received **no later than 4:00pm, Friday, 11th November 2022**.

Parents are advised that requests for specific teachers and or requests for non-placement in composite classes or tandem arrangements are not considered. The school does not view these arrangements as detrimental to students' academic or social development. Parents should also be aware that correspondence provided to the Principal will be considered by staff, but does not guarantee the particular outcome being sought by the parent.

Care is taken by the school to place all students carefully, taking into account each student's needs.

Guest Speaker for Year 6 Students – High School Transition

To support our students (and parents) through the transition from primary to high school, we have organised a guest speaker to present some useful tips and ideas to try to make this a seamless experience on Thur 1st Dec at 6:30pm in LA28. Students will attend a session during the day and we would like to invite parents to the evening session. ☺

To assist us with planning and to ensure you have a place, we ask that parents/ guardians to save the date.

Please RSVP – bletchleypark.ps@education.wa.edu.au or 9234 6400 by Monday 28th November

Merit and Values Award Winners – 21st October 2022

Today the students in LA 4 treated us to a wonderful assembly all about kindness. They sang their song with some doing small group solos. The wonderful graphic running as they sang showed how they are kind to each other. Congratulations on your lovely message and your demonstrations of what it looks like LA 4.

Congratulation to Mrs Long for her work with the students to make them all such great Year 1 presenters.

Senior Assembly LA 33 and LA 34

LA 33 and LA 34 set a challenge for Mr Cave, Ms Salamon and Mr Walpole today with “Book Charades”. The classes made their assembly all about books in honour of the official opening of our ‘new’ library, which took place after the assembly. Students in groups from both classes acted out a charade to give the staff clues and they had to BUZZ in first to get a chance to guess the title of the book. The competition was fierce, but Mr Cave reigned supreme getting 5 book titles correct. What a great way to highlight books and it was extremely entertaining having the staff members as the contestants.

Congratulations Miss Rowe and Mr Dale and all the students from both class on your excellent assembly which informed and entertained the audience.

Library Official Opening

Thank you for everyone's support during the library refurbishment. The library was officially opened Friday after the senior assembly along with the P&C LA33 and LA34 who did an amazing assembly item 'Book Charades'.

The newly refurbish library will be open to the school community from 2.30pm next week. Please come along and enjoy this amazing space to promote the love of reading for the amazing students at Bletchley Park Primary School.

The Bletchley Park Billy Goats Fathering Group

The Bletchley Park Billy Goats Fathering Group invites all parents of the Bletchley Park community to come and listen to Paul Litherland of Surf Safe Online.

For close to 20 years, Paul has been working at the coalface of online crime. Since 2008, he has worked specifically with juvenile victims and their families and has used those experiences to develop highly informative presentations regarding the risks of the online world.

Since leaving the Western Australia Police in 2014, Paul has grown to become one of the nations most recognised and highly awarded educators in the fields of Cyber Safety and Internet Awareness, culminating in him being named the 2022 WA Australian of the Year.

Today, Paul works with over 850 schools and organisations across the country, with the demand for his services continuing to rise. He has been presenting at many of his schools for 10 years and has grown to become a very respected and valued member of those school communities.

In his presentation Paul will cover the following Topics:

- Frontline Knowledge – His experiences, insight and knowledge working at the coalface of juvenile internet use for the past 13 years.
- Digital Citizenship – Where our kids are going online, the Apps they are using and the information they are sharing.
- Online Footprint – How easy it is to find kids online and what they can do to minimise their risk.
- Social Networking & Networking in general – How the systems work and how to overcome their reach.
- Online Gaming and Website Use - Risks and uses.
- Sexting and Sextortion – Trends, risks and up to date stats regarding this issue.
- Tips & Tricks – How to keep an eye on your kids through software and hardware. Easy instructions on what we can do to keep them safe.

There will be time at the of his presentation for parents to ask questions, this is an information night that you do not want to miss.

Please RSVP through Eventbrite so we can ensure we have enough chairs for all parents who attend.

Indonesian Visitors

We have been so lucky to have two teachers from Sulawesi, Indonesia visit our school this week. Our school is part of the Bridge Program which promotes connecting schools in the two countries to improve cultural understanding and develop connections between teachers and students in each school. Pak Yulius and Ibu Tiara have been working with teachers across the school and sharing their background, teaching students about the different islands as well as giving students the opportunity to practice their Indonesian. It has been wonderful seeing the students and teachers interacting with our visitors and being so welcoming to them.

Thank you to both teachers, we only wish you could stay longer.

Day for Daniel

Day for Daniel – Thank you!

I would like to say a massive thankyou to all our parents, students and teachers for supporting Day for Daniel last Friday! With Gold Coin donations and the sale of nearly 400 icy poles, the School raised a total of \$1,110.00. This will be sent to the Daniel Morcombe Foundation so that they can continue to develop programs and resources to keep our children safe.

I would also like to thank all those who assisted with the sale of icy poles especially our Student Leaders and Faction Captains. This year we are extremely grateful to Coles, Southern River Square who donated \$50 for icy poles and Coles, Southern River who donated \$20.

Mr Walpole & Ted - Day for Daniel

Congratulation Damon!

Damon had volunteered with the Gosnells District Neighbourhood Watch to design and create a new interactive website for the not for profit organisation, which now allows residents to download safety resources rather than picking up paper copies from the Resource Centre.

He has also created a QR code and posters/flyers that can be displayed at events to allow people to easily access the new website which will reduce the number of paper brochures required improving the organisations sustainability.

He also attended the organisations AGM earlier this month and launched the website to the committee, the WA Police Officer in Charge of Neighbourhood Watch and an Executive from the QLD headquarters of Neighbourhood Watch Australia.

Congratulation Damon!
